

Wallace Junior Camp

March 1, 2018

Dear Parents:

It's hard to believe, but summer is really just around the corner, and it's time to make plans! We would love for your child to include a week at Wallace's Junior Camp in their summer plans. If your child is going to be entering 4th, 5th, or 6th grade in the fall, then Junior Camp is the place for them!

We'll be returning to the beautiful Mountain View Bible Camp in Manchester, MD at the end of June, and we can't wait! We arrive at camp on Tuesday, June 26, and return home on Saturday, June 30. Camp includes five days of Bible studies, crafts, games, fun and good food. Mountain View's beautiful geographic location provides a natural setting for a well-balanced camping program. Read the enclosed brochure carefully, noting the importance of registering early!

It is exciting to think of a gathering of kids in one place with one purpose—to discover God's wonders! How is this communicated? First, it's through the excellent role model of counselors and leaders. These key people will build friendships with campers and help provide a safe, meaningful, and fun-filled camping experience for every junior. Second, Bible adventure times are planned by our speaker, our "Storyteller" to motivate each camper's discovery of God, and salvation offered through Jesus Christ. Parents, it will be a great week! Swimming, cable rides, a wagon ride, superb home-cooked food, arts and crafts, sports, and many more activities which will enrich your child spiritually, physically, and socially, as well as enhance his/her self-confidence, satisfaction, social skills, and moral character.

We commit ourselves to providing a wonderful camp experience for your child. We hope it will be the highlight of their summer! Register him/her early and be assured of a place. There is no deadline but to help us plan please register early. ***Please note that again there is no online registration this year; you must mail this form to Wallace. Please make checks payable to Wallace Presbyterian Church, with Junior Camp in the memo line.*** The registration fee this year is \$120 if you register by May 20th. After May 20th the fee will be \$140. Scholarship opportunities are available for those who need it, so please contact us if your family needs financial assistance. We operate on a "first come, first served" basis and once all the spaces are filled we close registrations. We will then put your name on a waiting list, but experience proves that hardly ever does a camper cancel out. Don't be disappointed. Act now by sending in the registration form and registration fee! You may call the church office on weekdays if you have any questions—301-935-5900.

| <p>Our plans are for all campers to remain at camp the whole time, from beginning to end. "Part-Timers" are strongly discouraged because it disrupts the camp schedule and takes the space away from another full-time camper who really wants to attend.</p> |
| <p>Due to the need to allow our very busy camp program to run smoothly, and to be fair to all campers, the general expectation for camp is that kids will not be allowed to make phone calls home except for emergencies. We will have a protected website available only to parents to view daily uploads of photos from camp to keep tabs on your child's day. If there are concerns or special circumstances, please share them with us. Annie Welty, Camp Administrator (301-345-1144)</p> |
