Trusting that God has
made it right in Jesus

YOUTH GROUP LABOR DAY RETREAT 2022

Message Topic:

Justification

Have you ever asked the question, "What is Christianity all about?" or "What does God think of me and why?" Have you ever wondered, "How do I know if I'm really a Christian?" or "What is at the heart of this thing called "the gospel"?" If so, you are not alone. These are questions that every believer, young or old, has wrestled with at some point in their life. Interesting enough, answers to questions like these (and many others) are found in what theologians call "The Doctrine of Justification." We are going to look at this beautiful doctrine all weekend long at Camp Hemlock because so much of understanding who Jesus is, what He came to do, and what that means for you, is wrapped up in our Justification. So join me as we unpack this central pillar of the Christian faith, together. I can't wait! Bring a friend!
